ABOUT ME

As a Web Developer with a background in Computer Science and Engineering, I possess a strong proficiency in ReactJS, NodeJS, and MongoDB. My experience in building dynamic and interactive websites, coupled with my ability to work collaboratively with cross-functional teams, makes me an ideal candidate for the role of Web Developer.

WORK EXPERIENCE

Web Design Internship at BROTECH IT

📅 NOV 2020 – Jan 2021

- Created a static landing page using **Bootstrap5**.
